

April Marie Floyd

April 24, 1972 - April 11, 2019

April Marie Floyd, age 46, passed away suddenly on Thursday, April 11, 2019. She was born in Fort Rucker, AL to parents Webb M. Johnson Sr. and Loretta M. Johnson. She was a 1990 graduate of Prattville High School.

April was a devoted and loving mother raising four beautiful children. Her love of gospel music was certainly not a secret to anyone who personally knew her. She enjoyed a good cup of coffee, an early run on a crisp morning and caring for God's creation through planting and gardening.

April was celebrated for her compassion and sense of humor; her innocent and comical inability to "get the joke" and most importantly, her generous and loving spirit. She always tried to find a positive in every single negative and she endeavored daily to abide by the commanding words in her most favorite book, the Bible.

April often referred to anyone she adored as "my loves" and her list was rather long and never stopped growing. She used to make this funny little sound with her voice when she was hugging you, for emphasis, so that you knew her affection for you was genuine. April was not perfect by any means, but she was ours and we were hers...her life was a blessing and her memory is a treasure. There are no words to describe how much we will miss her.

April will forever be remembered by her husband, Blake; her beloved children: son, Daniel Parrish and daughter, Hannah Parrish; sons, Jacob Floyd and Cade Floyd; her in-laws, Craig and Melissa Floyd and David and Kacy Moore; sisters Kristy Rollie and Renee Humphreys and brothers Webb Johnson Jr.

and Aaron Johnson (her twin); nephews Garrison and Tatum Moore and niece, Anna Grace Moore; nephews Jack and Jesse Humphreys and niece Jenna Rollie; and extended family members and many friends both near and far.

“Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.” Ephesians 4:32

“ Blake, Daniel, Hannah, Jacob, and Cade, I am so sorry to hear about April. Although I only met her a few times, I’ve heard so many wonderful stories about her. From the few times I had the pleasure of meeting April, I know she had a lovely spirit that attracted many people to want to be near to her. She had an infectious laugh that had many joining because it lightened a mood or a room. You all are in my thoughts and prayers. Cheryl (ren’s Friend)

“ I will miss your beautiful face and your goofy Sponge Bob Squarepants laugh. I will miss laughing out loud with you for no particular reason at all. I will miss reminiscing with you about the Freibad and pommes frites and that funny kid who wasn't paying attention while riding his bike and drove into our garage door that happened to be closed. I will miss our hearty conversations about your terrible cooking skills and how much we love Grandma's chocolate chip cookies and her amazing fruit salad. I will miss you telling me my hair always looks good even though we both know it looks like Scarecrow from the Wizard of Oz. I will miss your wonderful and gentle soul everyday but I know you're soaring with the angels my sweet sister...I love you to the moon and back. Rest peacefully. - Love NayNay

"And when great souls die, after a period peace blooms, slowly and always irregularly. Spaces fill with a kind of soothing electric vibration. Our senses, restored, never to be the same, whisper to us. They existed. They existed. We can be. Be and be better. For they existed." — Maya Angelou
