“ I will truly miss working with Paul. Paul and I worked together at O'Reilly's for a little over one year. I really enjoy working side-by-side with Paul. He was a genius at his job. There was nothing that Paul didn't know about parts. He was also a great teacher and I loved learning from Paul. I could always count on Paul to put a smile on my face. He told the most funniest jokes in the world. Paul would have me laughing so hard with tears that sometimes my lashes would fall off. Hands-down he was the best coworker in the world to work with. It was a pleasure and an honor to work with Paul, he will truly be missed.

“ I worked with Paul for many years saw Brittany grow up. Paul's greatest love in his life was his family. He was the kindest soul I ever knew. It was truly an honor to be his friend. Tracy and I are praying for the family. Gods speed Paul you will never be forgotten.

I worked with Paul at carquest and then O'Reilly a very nice guy to work with. He would always help others find part for their car or whatever they were needed. He was awesome at his work. I enjoyed working with him and will miss him tremendously.

“ *To the Family:
May the comfort from family and friends continue to strengthen you during this difficult time, and may you find comfort in the words found in the last book of the Holy Scriptures: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ *Paul has been our go to parts guy for a long time. no matter what I was looking for, for our dealership, or my personal vintage cars, Paul always found it for me . I met him when he worked at Carquest, and stuck with him when he moved to Oreillys. I just talked to him on Monday, so this just blows my mind. He and his knowledge are going to be very missed, by Myself, and our Dealership. Condolences, from Myself, and All of us, at Montgomery Subaru.*

“ I hired a lot of employees during my time with carquest but there were none better than Paul. I will always remember our first meeting. He had already built quite a reputation in automotive parts. I don't think I ever anticipated anyones phone call more than when he accepted my offer. I had landed a superstar in our business. He continued to build his legacy. Yes legacy. The way he treated people would leave a lasting impression that would make him their parts guy. It did with me as well. P3, as I liked to call him, always came through for everyone. Even if it was their first time meeting. He was one of the best! He has touched my life and others in such a positive manner that we will always remember and appreciate knowing him. My thoughts and prayers are with his family and friends.

Paul was my first husband and the man I TRULY loved and still love. Although we divorced for reasons I don't want to share, he was my soulmate. I'm still grieving. I know that I'll never marry again. No man can replace him. I would give up all my material possessions just to have him back. I met Paul in Sunday School at Heritage Baptist Church. The second I laid eyes on him, I couldn't take my eyes off of him. I had to turn my glance away from him in Sunday School class so that he didn't think I was staring at him. I found out where he worked and called him. I asked him if he'd like to learn to two step. I told him that free classes were being taught and if he'd like to go with me. He said yes. We only dated 3 months. We were married on July 11, 1992. It was the happiest moment of my life. He would personally bring me a bouquet of flowers frequently to me at work. We had 1 daughter together, Brittany Ann Powers. We lived at 10864 Redland Road in Tallassee. He loved to burn leaves and sticks in our yard. After he came inside, I smelled the woodsey smell on his clothes. I miss him SO much. I'm forever heartbroken. If only we could hold each other again..... I know he's waiting on me in Heaven. That's when we'll be eternally reunited. Leigh Ann Griffith. 🧑🏻‍❤️‍🧑🏻💞
