“ *I am so sorry for your loss. May the God of all comfort give you the peace that excels all thought through the power of prayer.*

“ *Mike, Frank, Cathy, Melissa, David.....please know that you and all your families are in my thoughts and prayers. I remember so many wonderful things about Aunt Betty. To me she will always be loving, kind, patient, so giving of herself....so many beautiful characteristics.....her smile was full of joy and I loved listening to her laugh. I am so sorry life took us all in so many distant places and we didn't get to enjoy her and all of your precious family. I cherish my last conversation with her by phone a few short years back. When I told mom that I had found Aunt Betty, she was so happy. Mom lives in Missouri with me. She has advanced dementia, but I know if she could offer comfort to you, she would certainly encourage you to remember that your mom's life was a beautiful gift from heaven and she is now in heaven, safe, well, and full of joy. Mom would also say, " and May God Bless you kids real big".....with tender love, cousin, Debbie Bates Stephens, Webb City, Mo.*

“Michael, Frank, Cathy, Melissa and David,
Please know you are in my thoughts and
prayers. Although time and distance has
separated so many of us cousins through the
years, I remember our happy summertime
visits and have wonderful memories of your Mom, my Aunt Betty
and my Mom, Billie, singing, laughing, cooking and sharing their
stories with us and their Mom, our Little Granny. I offer this prayer in
hopes that you may find some comfort in knowing you are very
much loved and thought of....
Be Still and Know I am God...
Be Still and Know I am...
Be Still and Know...
Be Still ...
Be...
