“ Please accept my deepest sympathies for your loss. The loss of a loved one is the most painful experiences in life. There is a void that cannot be filled. Rest assured that the Bible promises we will hold them again and enjoy their smiling faces forever. It is God's purpose that no one dies ever again and everyone live on earth in Paradise. God never wanted anyone to die but to live happy healthy lives forever on earth. We have to exercise faith in his Son, Jesus Christ, to gain these blessings. God gives us his Word so we can gain comfort now and have hope for the future.

“ Billy was my inspiration for learning to play guitar. In fact, he sold me my first guitar, a Sears Silvertone and amplifier back in 1963. We use to stop by Sears on the way home from school and listen to the latest records.. I really enjoyed knowing him, God rest you Soldier, you job on eath is complete.

“ *Shirley and family, Bobby and I are so sorry to hear about Billy's passing. I can remember when Billy worked at Delchamps and he would pick at me about selling coke bottles. That was my allowance money back then. He was always a sweet guy and I can still see his smiling handsome face. I know he will be missed dearly and my heart is so sad for all of you today. You are in our thoughts and prayers as we pray for comfort and peace for all the family during this time. We love ya'll. Janice & Bobby Roseberry*

“ I would like to send my condolences to the Abbott Family. Death is our enemy and we can all look forward to the time when it will be no more. The Bible often compares death to sleep. (Psalm 13:3; John 11:11-14) A person who is fast asleep is unaware of what is happening around him. Likewise, the dead are conscious of anything. Yet, the Bible teaches that God can awaken the dead as if from a sleep and give them life again. (Job:14:13-15). So for those whom god resurrects, death is not the end of everything. Please take comfort in the resurrection hope. May your family be blessed.
