“ *We were cousins, he was Bill Smiff and I was Smelly. We carried that our whole lives, even as adults. I will miss that so much. Sharon my heart aches for you and your children and grandchildren. He was a super lighthearted person and I am sure he passed that down for generations to come.*

“ Billy and I were always like brothers I will truly miss him.
I remember when we were kids every Sunday we would go to Aunt Doshia and Uncle Joe's house to visit.
We were playing in top of the barn one Sunday and either Billy or Paul pushed me out of the barn wonder it didn't break some bones!
I love him and miss him very much !

Billy and I were very close cousins.
Billy was at my house one Saturday after yard sales when he told be he was diagnosed with cancer and he said he had to start taking treatments.
He and I discussed knowing Jesus and knowing that no matter the outcome of cancer that knowing Jesus as his personal savior was the most important decision he could ever make.
Billy told me he believed in God and has made peace with God excepting him as his lord and savior was ready for what ever future holds. I hold this near and dear to my heart knowing that here my cousin will spend eternity with our lord and savior.

I am so sad we lost Billy and will be praying for Sharon and the kids and grand kids.
