“ I never had the honor of meeting Chester in person, just over that phone when calling for Propane delivery (Allgas Inc. of Montgomery). I will say, EVERYTIME he called, he was always so funny and messing with me because my name is Bambi. That just gave me the feeling that he had a great humor and people loved him so much. I'm so sorry for your loss and have been keeping his family in my prayers once I learned of his passing. Please know God is with each of you, it will be up and down, just remember the good / funny times, that is what helped me when I lost my momma. Blessing to you all! Bambi and the Allgas Inc. of Montgomery family.

I'm keeping you and your family in my prayers. I talked to you that Friday 15th, then Randall called Sunday left voice mail to not delivery. My heart was broken.
