“ *Love you all so much. So sorry for your loss but praise God he is healed. I know he has that big beautiful smile because he has no pain. May you all have peace knowing he is resting in the arms of the Lord. You and Gene were so very good to me when I was so young and it has never been forgotten. I am so sorry I cannot be there but many prayers lifted for all of you.*

*Love,
Donna*

“ *I know mere words of expression cannot replace the joy and love that you have lost. Hold on to those memories, as I have been going over many fond ones with Gene and the family! He was special to me. I will continue to keep you in my prayers as God is our sole comforter with faith, hope and love.*
