“ Cindy and I were really good friends who I afraid had lost touch in the past year. She was such a wonderful friend to me and my daughter Melissa. We started when our girls were on the same cheer squad for the bears. We loved being cheer moms to those girls. We spend lots of time practicing and going to cheer competitions. She loved to cheer with those girls and coming up with different cheers and formations. The girls all loved mama Cindy!! Then our girls became majorettes with the Prattville High School Band. Again she was so involved!! We all went so many places. Then as Erica went to Mississippi State and became a majorette. I cant think of a time that She and Steve werent over there for a weekend for the games. Then when Treyton was born she started Mothering again. Cindy did everything with him and Erica!! She was just as motherly with Chris, Crystal and Carmen. I will never forget her laugh and that smile and how happy she was always were. I hope you have a beautiful manson in heaven!! I loved you my friend and you will be so missed!!
