“ *Fly high Daddy, Thank you for all the sacrifices that you made to put your family first. Thank you for showing me what the definition of a family truly means. Thank you for representing strong values and morals . I promise to remain loyal to whomever needs it. I promise to continue to love and honor you and mom everyday. I loved your quick witt and sarcastic self. I will never meet the likings of you again. I miss you so much and I love you more than the whole wide world and back again. I am so glad that you were my father. I am so proud and honored to be your daughter! I feel your presence all around me and will continue to honor your memory. Mom and I love you so much dealing thrifty Dan!*
