“ *My dad came into my life 33 years ago when I was 4 years old, I've considered him my REAL DAD ever since that day. My dad was the best BONUS / REAL dad un the world, I remember when he first came into my mom's life & told her, before he could love my mom he'd have to love us (my brother & I) my dad taught me how to be a hard worker, loving husband & awesome father figure to my kids his grandchildren. I am truly the luckiest man in the world to have been raised by my DAD, he was a hard worker, loving husband & father, it's gonna be hard to say good bye, but just knowing you're in a better place then we could ever be right now & knowing you're not suffering is a blessing all on it's own, God definitely gained a awesome angel on the evening of February 25th 2022. DAD YOU ARE GRAVELY MISSED BUT NOT FORGOTTEN!!! REST IN PARADISE DAD UNTIL WE MEET AGAIN ONE DAY!!! Love you dad rest easy & WAR DAMN EAGLE*
