“ Mike words cannot begin to express how saddened I am that you had to leave us. Olivia and Gabriel feel so disconnected from Michael's side of the family and my heart breaks for them. I'm so glad you got to spend time with the kids though. They truly cherished you and every second spent with you. Man life is but a glimpse of bright light in a long dark night it seems. At least you Michael and Lee can all rest in peace and hopefully look down and watch us grow. We miss you so very much. Grateful to have had you as my Father in Law!!!
