“ During this time of great sorrow, may it comfort you to know that others are deeply touched by your loss. I, too, know the pain of losing someone dear. Even though our hearts are broken, rest assured that our Grand Creator cares about you personally (1 Peter 5:7) and can help you through this difficult time. Revelation 21:4 speaks of a time soon when God will do away with death forever. There will be no more sorrow, heartache, or pain. May your happy memories and sure scriptural hope comfort your hearts during this painful time.

“ Dooley who will be here to tell me when I'm Missing up. I was only 12 years old when you became part of our family. I always had fun going places with you and Carolyn. Loved going to the dog track with you two. Even when I never won any money. I think about the 2 cars you got for me at the auction and how you worked on them. Even when i was mad at you I still loved you. I'm going to miss you so much Dooley. R.I,P My Dear Brother!!!

“ Daddy:

*Where ever you are, know that I am here without you and I don't know how I am supposed to live without hearing your voice on the phone every day, or how I am supposed to simply survive this pain that I feel without you here to help me. You always told me that you made a promise to God that if he let you come home from Vietnam safely that you would find a pretty girl, and have a blonde haired blue eyed little girl. You did that Daddy, here I am, but now I don't have you, my Daddy, my hero, my life-line, my everything...how do I do this without you Daddy? You have only been gone from this world for a little over a day now, and I already feel so lost and alone. I love you Daddy, I miss you so much already and I don't know how I am supposed to live the rest of my life without you. I will not say good-bye, I simply can't do that, not to you Daddy. I will say, talk to you later, or until we meet again, but not good-bye. I want you to know that I would not have wanted anyone else for my Daddy, you were the best and I am very grateful that God gave you to me. Love you forever Daddy,
Your blonde haired, blue eyed baby girl.*
