“ I worked with James at IBM in Lake Mary Florida. I learned a lot from him on how to handle the tech work I needed to succeed in my job. He was so kind and understanding and will be missed by many.

“ James and Beverly were the first ones to welcome us to the neighborhood back in '08 when we met them as we were walking the Hannah Dr loop. The next day they showed up at our door with a wonderful cake and a giant Alabama Roll Tide Wreath for our front door. James, Dylan and I spent many days fishing the ponds. We had many conversations solving the problems of the world. They were a wonderful couple and will be greatly missed.

“ We will miss Brother James. He was a good friend and neighbor. He would always ask about our family when we would sit and talk. Our prayers go out to his daughters and their families. Our neighborhood has lost a dear friend.
