“ I've known Jan for more than a decade. I have seen her servant's heart in action from delivering food to the homeless to VBS to visiting nursing homes. She always approached each activity with grace and cheerfulness. Jan would often say "Have a God-filled day". She has lived 2 Tim 4:7 - I have fought the good fight, I have finished the race, I have kept the faith.

“ Jan was a beautiful soul. She loved everyone, but she could be outspoken at times. I don't have one specific memory of her, but our friendship goes back for about 15 years. She started helping with the food ministry at the church we were both attending at the time. She couldn't wait to come and help make meals on the nights we did preparation and she always came to help deliver meals on the nights we delivered, when she was able to. It didn't matter if she had to bring her walker she was going to help give out food. She loved interacting with the people we were serving.
