“ *Uncle Jim was my favorite! He and Aunt Louise drove to Mobile to get My son Mike and I when his brother Joe (my Daddy) passed. He had us follow him home and stay with them a few days and reminisce and laugh and cry! Plus go out on the pontoon boat , where as Mike told me yesterday , he “ caught air a couple of times” ! He always took care of the family...He took care of my little Brother Joey too..one of the last things I talked to my brother about before he passed was Uncle Jim and sharing memories! Love you always !!! I will see you in a better place and time!!*
