“ Mom,
The day you died I kissed your face
After you died I held you close to me
I knew it would be the last time I held you for the rest of my life
You were so sick, in so much pain
That is no life
I know you were afraid to die
I hope you have found comfort
Do you remember how I held your hand and lay my head on your
shoulder
Even at that moment I couldn't imagine life without you
People talk about broken hearts in songs or movies
Until that moment I had never known a true broken heart
Over and over I thought "How can I live without you?"
I watched you live, I watch you die
Every day I look up at the sky
I know you're waiting for me
I miss you
