“ I remember always wanting to swim in the pool at your house...I remember Brad “falling” in one time fully clothed. I remember how sweet you always were while doing Social Work...I remember meeting random kids that you will have to bring home for the night because there was no where for them to go. You were always so sweet to me and everyone else. May you rest in piece! I know Aunt Connie is so happy to see you! Much love my sweet Granddaddy.
