“ Dear April and family, Please accept my sincere sympathies. I am greatly saddened to learn of John's passing and can't believe it. I hadn't heard any updates that he was ill again. So, I am in shock. I worked at Baptist South SICU/Trauma Unit on the day shift until for 8 yr., leaving in July 2011. John worked nights and I worked days. I gave him report many times and vice versa. He was a wonderful person, great nurse and had a great sense of humor. He was very compassionate with his patients. You and your family are in my prayers. "I fought the good fight, I have finished the race, I have kept the faith. Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day..." 2 Timothy 4:7, 8a. May the Lord give you His strength, mercy and peace. God bless.

“ *Praying for you and your children, April! I remember the nursing school skit John and the other officers put on for us the first day of nursing school...they had me in stitches! And, I will always be thankful for John's willingness to help me learn and master dimensional analysis!! What a joy to even work with him any South briefly! He made an impact on me as I pursued my nursing degree!*
