“ Dear Sue and Family,

Your sad note arrived today, and we were stunned to learn of Dave's passing. Even with his Parkinson's and Dementia, Bob has occasionally mentioned Dave's name and asked about him. The connections go back a long way. It is said that to live in the hearts of those one leaves behind is not to die. David will live in the hearts of his family and many friends always. He is in a better place now and free from his pain and suffering. You are in our thoughts, and we send our most sincere sympathy to all of you.

“ Mrs Sue and family, Mr Dave was a special christian man! He was always friendly at church with a smile for every one. He really loved his sweet christian wife Ms Sue. He in-deared him self to me by speaking and shaking hands every service, always with a smile and nod of his head. Watching his tender care of his precious wife really made me want to have that same kind of love. He is and will be missed on earth however, he lives forever with our Precious Lord Jesus Christ now and forever more!

Condolences to "Mr. Dave's" family as he passed into his "Forever Home". Like the beautiful Butterfly that God gave us to enjoy, Mr. Dave is now free of pain and illness and like the Butterfly, is free to enjoy every day without pain, sadness or worries. To God Be The Glory for the wonderful life he had in his Earthly body and Home. He will be missed by a multitude of family members and friends.

“ *As a child and a grand daughter, i always loved his fuzzy beard. We would make a game of it. I would try and pull i before he pretended to bite my hand off. He makes me laugh even now. I still hold onto our memories like how i wrapped my hand around his finger when i was little. Love you grampy...*
