“ Our deepest condolences to your family for the loss of Levelle. My mother (Lou) became friends with Levelle at work when she was pregnant with me (49 years ago). What a testimony of friendship! They surely did weather life's twists and turns together. I always got a kick of how their names rhymed (Lutrelle and Levelle). My mother always looked forward to her conversations with her bestie Levelle. It gives me great hope that she will have a best friend in Heaven waiting on her to catch up with...boy what a conversation that will be. Until they meet again. We lift the family up in prayer for peace and comfort. May the memories of a life truly well lived hold you tight.
