“ Lucy, her siblings, & her mother were a sweet part of my childhood & growing up years. The Ross family were a special part of our Stalnaker family. They were all so beautiful in person & in spirit! I am so proud & honored to have her & them as my cousins & Great Aunt Roma. How glorious it must be in Heaven right now, all of them together that have gone before us! Thank you Lord God & Praise Be to You!

“Lucy is one of my most favorite cousins. She cut my hair from the time I was small, she always knew just what would work with my hair and look best. I loved getting together with her when I came home for a visit. I will miss you favorite, sweet cousin. I will cherish my memories of you always. I love you so much.. Until we meet again at the feet of Jesus❤️ To Sonny and children, I am praying for you that the Lord will comfort you, give you His strength and His peace that passes all understanding. What a wonderful thing it is that we will see her again. ❤️❤️❤️
