“ I was so saddened when I learned of Rudy's passing away yesterday because he was always one of the nicest men I knew that worked at the phone company. It was not too long ago that Byron and I ran into he and his lovely wife and we had such a good time strolling down memory lane so to speak. We knew he had heart issues just like Byron and but I think for the most part he was doing well then or appeared to be. Such a loss and our prayers go out to the family! God bless! Beverly searcy

“ So many wonderful childhood memories in the Jackson home. To many to name. So grateful he loved and watched out for all of us girls. I know he's in heaven with daddy and Tracy laughing and carrying on like they did. Love y'all -Kim Sanders

“ Weezie, Dana, Ann, Cindy, Aaron, Griffin, Mary Ashley and all your family - I think of fun, tricks and laughter as I remember "Rudy". Prayers and love to each of you. My verse for strength and comfort these past couple of years is Psalms 91:4
'He will cover you with His wings
And under His feathers you will find refuge'
Praying this verse, I can feel the angel wings of Jesus bringing shelter, warmth and pure unselfish love. May You feel the shelter of his wings and love.
Love you - Mary Gilbert

“ *I have known Rudy since 1967 when we served together in the Navy on the USS Fulton, AS 11, in New London, Connecticut. Over the years I have grown to love him like a brother. I will miss our back and fourth about our college football teams. He, of course, supporting Alabama, and me for Texas A & M. He will always be the best friend I ever had.*

It was an honor to know and work with Rudy at Calera. He was one of a kind and we quickly became good friends and I always looked forward to being with him. I will surely miss being around his good nature and his quick wit. I pray the family will find peace that he is at rest because I know that our lord is going to enjoy having him in heaven.

Much love my friend, Rest In Peace!
