“ I remember the day Robbie and Laura were introduced at Leslie Baileys Silver Spoons downtown Montgomery. I had met Robbie at State Fire Marshals Office going to visit my Sister Katrina. I always thought he was so handsome. I was so happy when I found out Robbie and Laura got married, over the years I would see them out and about and could tell they were so perfect together, as they were always laughing. I knew then my friend Laura had met her soulmate. I am so heartbroken for Laura and family, however I know he is fine now and they will be together one day. This beautiful soul will be missed and to all the family I love you all and pray daily for you. ❤️🙏

“ We are so heartbroken! Some things I remember about Robbie was how precious he was. I can still hear him say “Sherry Marie” 😊 . And “It’s ok baby” He was always smiling and loved everyone. I still remember as if it were yesterday even though it’s been a while. I long to be reunited in heaven one glorious day. Your family will always be our family. Distance changed nothing. We love you all dearly. We are praying for you all. Sherry Rucker James and family and the RJ Rucker Family
