“ *Scott was one of the first people I met when my family moved to Wadsworth. He was always a good and loyal friend. We went to many places and spent a lot of time together when we were young. We had reconnected via social media over the last few years. He called me a few times as well. It was so nice to catch up. Losing a childhood friend hits differently. Prayers for Scott's friends and family as they face his passing. Scott, until we meet again.*

“ Scott and I served and worked closely together in Germany and Iraq. He was a good man a loyal friend, and a warrior. We spent many nearly every morning sharing coffee while looking over the lake at Al Faw Palace and every Friday night playing guitar for our year while deployed together. I am deeply saddened by his passing, but joyful that I will see again in heaven. To his family I offer my continued prayers that the God of peace will comferr you all in this time of sadness.
