“ Aunt Evelyn, you were truly one of a kind. You had a heart of gold. One of the sweetest, kindest most loving persons that I have ever met. I knew you for 6 years and part of the family. You always made me smile. A few weeks ago we came to see you, and I am so glad that we did. I rubbed your hand and ran my fingers through your hair. We even got you to eat a little bit of apple sauce. I asked u could I come back and we would have us a girls night slumber party and watch movies and talk u just smiled and grinned. When I left, I kissed you on the forehead and told u that I loved you. U smiled, and said I love you too. I will remember that forever. I know you are so happy now. You and Lamon are dancing in the sky together. We will miss you but we know you are finally at home and happy. Until we meet again I love you. Fly high my angel. We love you. Cindy and Randy Raborn
