“ *I give my sincere condolences to the Coggins family. God has made a heartwarming promise about what he will do for those we have lost in death. At Revelation 21:4, Jehovah God promises that "death will be no more". That also means that Jehovah God will resurrect our dead loved ones as well. How comforting!*

“ *Almighty God has both the power and the desire to resurrect persons whom he chooses according to John 5:28,29. I hope that the prospect of seeing your loved one here on earth at a future time will be comforting to you in your current time of grief.*
