“ I remember Tommie from the Bank Of Prattville. She worked for my ex Chris. She was a wonderful person. I still have the Quilt that she made my daughter for her room when she was younger. She will be missed. Prayers to her family during this difficult time.

“ Tommy Cherry was my neighbor for 15 years. We gardened together and We spent many late nights shelling peas. She and my husband were always trying to see who could grow the biggest and best tomatoes. She and my girls did a lot of walking after her heart surgeries and she and my son shared many BIG fish tales. She was a great lady and will be missed

“Tommie, you surely will be missed. I know you're in a better place. Last time I was with you we talked about your mom and dad and how you were going to see them soon. Always in August you would go to help them put up corn. You were like my second mom, we go back 39 years when I worked for you at the Bank of Prattville. Until we meet again. Love you.
