“ *I am devastated to hear of Vivian's passing. She was such a precious cousin, and I will forever cherish fond memories of her. In my mind, even after many years of not seeing her, I can still remember her sweet voice and laugh. I will be praying for all of the family that God will be an ever-present source of strength and comfort for now and in the coming days. I love you all.*

“ *I have known the Johnson family for many years in fact Gail Johnson is one of my best friends. I volunteered with Vivian at our church for several years although there was a ? Gap between us we were very good friends. I learned she had very kind heart and loving attitude for all. I know all who know her will be grieving along with her family. When I think of her I think a kind, loving personality daughter, wife, mother and friend!*

*Love and kind memories,

It was such a shock to hear of Vivian's demise. I did not know her except through their business. I know Gail well and love her dearly and I know, from what I hear, Vivian was like Gail, very loving and caring. I love you, Gail, and will keep you and yours in prayer as you have done for me so often. Love you all. Pat Fondren February 8, 2022.

It is with a very hard heart breaking heart that I have just read about Vivian. She was my very best friend in Prattville !! From high school and on through collage and throughout our lives we were great friends. Though time and distance kept us from staying as close as I would have liked, it never took away how much of a friend she meant to me. AS tears roll down my cheeks, and even though I have not seen her in a few years, she will be most greatly missed. Naturally, I cannot believe that I will not see her again, but we DEFF. know she is in a much better place than us here. I totally agree with everything everyone has said before, as in how much of a Christian, daughter, sister, friend and etc. she has been while living on earth. Our Lord has given us a wonderful one of a kind child-of-God lady to have had the privilege in knowing. She was a delight to be around and we never had a dull moment when we were together.

My love, prayers and most deepest sympathy goes out to you, Gail, Justin, Bobby, Frank, Ed, families and friends. I pray God's comfort helps heal your sad hearts during this time.

I certainly wish I could have been there today. May the Lord be with each and everyone of you.

Much Love and Hugs, Jane Hollon Price; Longmont, CO.
