*To the Family,
I am so sorry for your loss. Mr Moates was a good man and very talented.
He could refinish some older furniture and make beautiful pieces out of it. He made a lovely table out of my mom's old Singer sewing machine for me.
I know he will be missed !

“ Judy,
So very sorry to hear about Allen! Definitely will be missed by many that's for sure! Special Memories from years ago when Jason and I were first in church with y'all, Allen was always ready to lend a hand, and always supported my kids even years later in church fundraisers or going to church camp anything to help he was always ready to help! Y'all both have always been kind to our family and I know he will be missed by so many customers for his work! We would always see him outside shop or something and stop and talk or wave back and forth, he will be missed on Lower Kingston for sure! I know if my mother in law Sis was here she would be sad to hear of his passing, but with Our Hope in Jesus and relationship with him, we will see them both again! Praying for you during this time and days to come!

Michael and I are so very sorry to hear of Allen's passing. He was such a wonderful, caring and kind soul. We spoke almost daily while he was working. He was talented in his craft and he always brought us fish after his trips out on his boat. Our lil pup Ellie and he were the best of buds as well. He will truly be missed. Praying for his family and friends during this difficult time.

I am so sorry to hear this. Mr Moates did some beautiful restoration work for me....I brought things all the way from Virginia for him to work on. He was a wonderfully skilled artisan and also one of the nicest men I ever met. Loved talking with him about furniture and other topics. I will miss the association and send prayers for the family.
